Murchison Falls National park:

Beginning with panoramic drive Northwest through the famous Luwero Triangle and Masindi Town via Budongo forest. The National Park derives its name from Murchison falls where the mighty River Nile explodes through a narrow gorge and flows down to become a placid river whose banks are thronged with animals mentioned in the activities.

Activities at Murchison fall N.P

- Game drive encompassing Elephant, Lions, Giraffe, Buffalo, Baboon, Leopard.
- Boat riding to the river to the bottom of Murchison falls where boils of water, floating, Crocodiles, ponds of hippos intersperse with some of the best bird viewing in the world.
- Hiking on top of the fall

- Ferry crossing

Queen Elizabeth National Park:

Activities

- Game drive in the park with high expectation of seeing Lions, Hippos, Buffaloes, Leopards, Spotted Hyenas, Elephants, Antelopes, and the elusive Giant forest Hog in this park.
- Unique boat rides on Kazinga Channel which connects Lake Edward and Lake George. This area is believed to be the best Hippo concentration in Africa. You will be entertained by amazing hippos usually in interesting pools and many animals may be seen drinking at the water's edge.
- Walk around the community and the mountain.

Bwindi Impenetrable:

Activities

- It is estimated that half of the world's population, some 300 individuals, live in Bwindi.
- Rise with the sun and trek into the green cloaked and misty mountains to find the world's rarer primate.
- The mountain gorilla.

Lake Mburo National Park:

Activities

- Has markedly different fauna to other parks and reserves and it's the best place in the country to see gigantic Eland Antelope as well as zebras, Topi, Impala. There are no Lions and Elephants so the park is ideal for walking safaris.
- Game drive to the five lakes in the park which attract Hippos, Crocodiles and water birds.

A large elephant is walking from left to right across a savanna landscape. The elephant is the central focus, with its trunk slightly raised. The background shows a mix of green grass and trees under a clear sky. The text is overlaid on the image in white and yellow boxes.

Kibaale National Park:

Activities

- Kibale has the greatest variety and concentration of primates in East Africa. Through verdant countryside and pass traditional homesteads and farms.
- All the day driving South via Hoima to Fort Portal
- Bizigiti swamp walk
- Chimps trekking
- Crator walk

Semuliki National Park

Activities

- Nature walk
